"Faith in Families" Initiative and Partnership
The Amazing Mom University

Sunday Service Announcement

"Good morning, everyone!

As Proverbs 22:6 reminds us, '*Train up a child in the way he should go, and when he is old, he will not depart from it.*'

We all know that parenting teenagers isn't always easy—especially in today's world. Many mothers in church congregations are trying their best, but still feel disconnected, frustrated, or unsure how to reach their teens. That's why we're excited to share an incredible opportunity through *The Amazing Mom University*—an 8-week online, faith-based program and community of support that helps moms learn how to communicate effectively with their teens, rebuild trust, and restore harmony in their homes.

If you're a mom—or know a mom—who is parenting a child between the ages of 10 and 24 and is struggling to communicate and connect with them, we have an incredible opportunity just for you. Our church is looking to sponsor mothers in our congregation who would benefit from this life-changing experience. If you'd like to learn more or enroll, please see **[Name of Contact Person/Ministry Leader]** after service.

Our ministry believes in helping our mothers thrive—because when mothers thrive, families flourish, and the whole church-and our community- is strengthened."
